Title of the Ph.D. Dissertation:

New Methods for Security and Privacy of CAN Bus Communication

by András Gazdag

Dear Dr. Ma,
Dear Dr. Török,

As the discussion of the most important questions already happened in the departmental defense of my Ph.D. Dissertation, I just would like to thank you for your time and efforts spent on reviewing it before both its departmental and public defenses. Your comments and questions were invaluable in improving my work before submitting its final version.

Yours sincerely,
Andras Gazdag
